Sir:

Applicant hereby requests that the referenced patent be corrected before issuance to state the name of the assignee and name of prosecuting firm. Applicant did not submit the Part B-Fee(s) Transmittal when paying the Issue Fee electronically and therefore important information regarding the assignee and prosecuting firm were not readily available to the Issue Branch. The assignee is Advanced Lightweight Constructions Group B. V. The prosecuting firm is Swanson & Bratschun, L.L.C. The undersigned certifies that the assignment to Advanced Lightweight Constructions Group B. V. was submitted for recordation as set forth in §3.11 before issuance of the patent. Included with this request is a Certificate of Correction under §1.323 showing the name of Assignee and name of single firm. As the Applicant has not been advised of the patent number for this case, the Certificate of Correction refers only to the Serial Number and date of filing. This request is accompanied by a check in the amount of \$230.00 (fee set forth in §1.20(a) (\$100) and fee set forth in §1.17(i) (\$130.00)).
